Irvington Duster Pilot Fatally Burned in Crash at Newark

Howard Stepp, 23-year-old Irvington crop dusting pilot, died Monday evening in a San Jose hospital from injuries suffered earlier that day when his plane crashed near Newark.

Stepp, a pilot for the Kohler Crop Dusters working out of the Centerville field, had been dusting a field of tomatoes just off Lincoln Road one mile north of Newark when the mishap occurred.

As he came out of the field to make a turn the tail of his light plane caught in a power line. According to witnesses the tail section of the plane was set afire by the flash from the severed lines.

The pilot called to nearby cucumber pickers for help as the blazing plane crashed to the ground.

Four of the workers dashed to the scene of the crash and helped the pilot, whose body was engulfed in flames, from the wreckage.

He was placed on the back of a truck and rushed to a local doctor's office and then transferred to San Jose Hospital in the Township Ambulance. Stepp remained conscious throughout the ordeal.

At the hospital it was determined that he was suffering from second and third degree burns over most of his body.

The accident occurred about 9 a.m. and the young pilot lived until about 10 p.m.

Funeral services were held yesterday from the parlors of the Chapel of the Palms, Centerville, conducted by the Rev. Paul Focht, pastor of the Niles Congregational Church. Interment was at Golden Gate National Cemetery, San Bruno.

A native of Canada and a veteran of World War II, he is survived by his wife, Mrs. Gayle Maphet Stepp of Irvington, and his mother, Mrs. Grace Stepp of Alaska.

NILES CUB SCOUTS WANT NEWCOMERS

An outdoor pack meeting, to be held sometime late in September, is on the agenda for the Niles Cub Scouts, according to an announcement this week from Robert Anderson, secretary of the Cub Scout committee.

At this pack meeting, all boys who wish to become Cubs (ages 8 through 11) or all of those already in Pack Two, may register or reregister for the activities of the coming year, which will start in September.

All parents whose sons are now in the Cubs, or those whose sons wish to become Cubs, are cordially invited to attend this open pack meeting, which will feature a weiner roast and games for all. The exact date of the meeting will be announced in a forthcoming issue of The Register.

Any adult wishing to participate and assist in Cub Scout activities is urged to get in touch with either Mr. Anderson or Mr. Andrus, as assistants are urgently needed.

NILES SCHOOL ASKS BIDS FOR NEW SCHOOL BUS

The trustees of Niles Elementary School District this week announced that they are accepting bids for the leasing of a new 71-passenger school bus to the district and the purchase of the used bus formerly in use here.

Bids will be opened at 7:30 p.m. on September 11.

FIRST SESSION OF COURT HELD IN NEW COUNTY BUILDING

Fines totaling $350 were assessed against four defendants by Judge Allen G. Norris at the first session of court held in the new county building last Friday afternoon.

Alanso Guerrero and Gilbert S. Mejia, both of Newark, entered pleas of guilty to charges of being drunk in and about an automobile and were fined $50 each.

Joe R. Gutierrez, also of Newark, pleaded guilty to a charge of driving an automobile while under the influence of intoxicating liquors and was fined $150. Judge Norris recommended that his driver's license not be suspended.

Eddie Ortegon of Russell City was fined $100 on his plea of guilty to drunken driving and the recommendation made that his license not be suspended.

The court session was held in the uncompleted court room, necessitated by the fact that the lease on the former court building was cancelled prior to the completion of the new building.

The new court room still lacks carpeting, jury chairs and tables for the attorneys.

WATER SHORTAGE NOT IMMINENT HERE SAYS SUPERVISOR

"There is no danger of an immediate shortage of water and any impression that might have been made through the discussions at the meeting of August 8 should not be construed as a warning of extreme water shortage."

This was the statement released this week by Harry Bartell, chairman of the Alameda County Board of Supervisors, concerning the meeting of the Advisory Commission of the Alameda County Flood Control and Water Conservation District, held at the Alameda County court house early this month.

The committee had expressed concern over the large amount of water which the new armed forces training base near Pleasanton would pump from the underground water tables. They endorsed a plan that outside sources of water should be made available immediately if at all possible.

Bartell stated in his announcement: "It is a well-known fact that the commodity of water is an important factor in the development of any community. Alameda County must look forward to a plan that will increase the water supply and that is one of the problems of the Flood Control and Water Conservation District, of which the Alameda County Board of Supervisors is the governing body.

"Considerable concern was evidenced by the need for additional water, because of the tremendous development in the Amador and Livermore Valleys.

WELCOMES ADDITIONS

"A study has been under way for the past two years with the State of California, and, shortly, recommendations will be made that will be of interest to all of the citizens of Alameda County.

"The Amador Valley has a natural water resource and has supplied many millions of gallons of water to San Francisco during the inadequate period of service by Hetch-Hetchy."

Bartell concluded with the statement, "The assurance of the Board of Supervisors is given to all citizens that the Board welcomes additional personnel and improvements in Alameda County.

STATE WILL SHIP HUGE TOTAL OF PROCESSED FOODS

The value of canned and frozen fruits and vegetables to be shipped out of California this year is estimated at $460,000,000 by the California Processors and Growers, Inc.

LABOR SHORTAGE MAY HAMPER LOCAL TOMATO HARVEST

The possibility of a shortage of pickers to harvest the coming tomato crop was revealed this week by representatives of the California Farm Labor Employment office.

The total tomato acreage for Alameda County is estimated at 100 to 150 per cent above last year and yield per acre is generally expected to be good.

This, in addition to harvesting being delayed due to weather conditions, can create a very tight labor supply with a severe shortage of pickers anticipated, it was revealed.

SHOULD REPORT NEEDS

Frank Machado, local farm labor office representative, said yesterday: "We urge farmers who plan to utilize the service offered by our office to obtain tomato pickers to notify us of anticipated needs immediately in order to allow us a better opportunity to recruit workers. If growers can arrange to furnish transportation from industrial sections and provide camping facilities, it will greatly increase their chances for getting laborers."

The farm labor employment office is located at 145 North Main Street, Centerville, phone Centerville 8-8939.

Machado estimated that the tomato harvest would get under way about the second week in September.

PICKERS NEEDED NOW

He revealed that pickers are needed now throughout this area for harvesting snap beans, pears and prunes. He stated there are many opportunities for part time and week-end work.

It was also announced that W. W. Allan has been transferred from the local office to the office at Walnut Creek for the duration of the tomato season. The office here will be operated by Machado and Bob Martin.

A new office has been opened at 31st and San Pablo Avenue in Oakland for the purpose of recruiting metropolitan workers.

NEWARK FAMILY WINS CONTEST

A Newark family, Mr. and Mrs. B. L. Brake and four children of Central Avenue, have been declared the winners of Walter Connolly's General Electric Contest and awarded the grand prize of a new G.E. deluxe model refrigerator.

Mr. Brake is a carpenter employed at Camp Parks and Mrs. Brake works at the Morton Salt Company plant.

"It was certainly a wonderful surprise winning the new refrigerator," said Mrs. Brake. "Our's was about 12 or 13 years old."

The couple got their local newspaper with the picture puzzle early Friday morning and set to work immediately to unravel the mystery. Although several other contestants correctly solved the mystery and listed a total of 30 correct answers, the Brake's reply carried the earliest postmark and was declared the winner by the judges, Carl Christensen, Walter Zbyzenski and Loren Marriott.

Many other special awards were sent out to high-ranking contestants by Connolly this week.

"The response was terrific and everyone reported that they enjoyed participating in the contest," Connolly said.

NILES GETS NEW HOUSING TRACT

The announcement was made this week by Eirwin F. Selby, San Leandro realtor, and Dan Bodily, Niles contractor, of the opening of a new housing subdivision at Niles.

The new subdivision will include 32 homes and will be known as Niles Manor. It is adjacent to Ellsworth Orchard Tract just off Orchard Way and the Niles-Mission San Jose Highway.

One of the new homes has been completed and is to be furnished as a model home by B-B Furniture Company of San Leandro and will be opened to the public for the first time on Sunday. Ten other houses are now under construction.

The houses, all three-bedroom homes, will be in the $10,500 bracket and will have white granulated marble roofs, two-car garages, electric dishwashers, central heat, fire places and hardwood floors.

NEW PASTOR FOR NILES CHURCH

Father H. A. McEnery, pastor of Corpus Christi Church at Niles for the past year and a half, left this week to assume his duties as pastor of St. Thomas Aquinas Church in Palo Alto.

The transfer was announced by the archdiocese, filling the vacancy created by the death of Father E. Hogan.

The new pastor at Niles, who will assume his duties this week-end, is Father Richard O'Connell, formerly pastor at Lagunitas.

CEREMONY PLANNED WHEN STATE TAKES OVER BAY BRIDGES

Representatives of communities throughout Southern Alameda County met Wednesday evening at the International Kitchen in Niles and formulated plans for a celebration on September 12 when the State takes over the ownership and operation of Dumbarton and San Mateo Bridges.

The delegates from Newark, Niles, Decoto, Centerville, Alvarado, Irvington, Mission San Jose, Hayward and Oakland elected Fred Cox, Hayward realtor, as general chairman of the affair.

Cox named the following committee chairmen: George Taylor, Oakland, publicity; Gene Manning, Centerville, caravan schedule, and Roger Anderson, Hayward, barbecue and entertainment.

Preliminary plans call for the formation of an automobile caravan at Hayward, comprised of state, county and city officials and civic leaders.

The caravan will be joined by additional autos as it passes through Decoto, Niles, Mission San Jose, Irvington, Centerville and Newark and will cross the Dumbarton Bridge.

Brief ceremonies will be held at peninsula cities and the group will return to Hayward via the San Mateo Bridge.

A barbecue and entertainment will be held at Hayward following the return of the caravan. The caravan is tentatively scheduled to depart from Hayward at 2 p.m. and arrive back at that city at 5 p.m.

REBEKAH PRESIDENT TO BE IN IRVINGTON

Jennie Mae Annin, president of the Rebekah Assembly of California, will be the instructor at a district meeting to be held Friday evening, September 7, at Odd Fellows Hall, Irvington, at 8 o'clock. Olive M. Pugmire, district deputy

JENNIE MAE ANNIN

president of District No. 53, comprising Rebekah Lodges of Pleasanton, Livermore and Silver Star of Irvington, is in charge of all arrangements for the meeting.

A dinner will precede the meeting and will be held at the Irvington Elementary School at 6:30 p.m. Reservations for the dinner should be made by August 31 to Irma Wright, Irvington, or Olive Pugmire, Niles.

CONNOLLY OPENS NEW STORE TOMORROW

Tomorrow (Saturday) will find Walter Connolly's radio and TV shop doing business in its new tore in Centerville, the location occupied formerly by the water office.

The building has been completely redecorated both inside and out and customers, when they enter the store tomorrow, will find a modern sales and display room.

Walter Lobato will be the store manager, with Lester Lindstrom and Richard Garcia operating the radio and TV service department. Mrs. Jane Denny will be the saleslady.

GAME WARDEN SAYS DEER HUNT BIGGEST IN LOCAL HISTORY

If you're a resident of Washington Township and you haven't enjoyed a venison dinner during the past two weeks, it's either because you're not a nimrod or you don't know the right people.

The number of hunters who took to the hills in search of game on the opening week-end set an all-time record, according to Fred Rogers of Centerville, Alameda County game warden.

"The stream of hunters into this county this year is the biggest in history and should result in a record bag of deer," Rogers said.

STANDING ROOM ONLY

So thoroughly are the hunters covering the hill land that Rogers predicted that the hunting would be exceedingly poor next year. He pointed out that the deer do not migrate like some other wild animals, thus the loss of the majority of the large bucks in this area this season will cut down the amount for next year.

Rogers revealed that in a seven-hour period last week he personally "checked in" 315 hunters in 172 automobiles in the Mocho country back of Livermore, checking their licenses and equipment.

As to the total number of deer bagged, Rogers was reluctant to venture a guess. He pointed out that the hunters have their deer tags validated by highway patrolmen, sheriff's deputies and other authorized persons throughout the area. He stated that he had validated 22 deer tags the opening week of the season.

LOCAL HUNTERS SUCCESSFUL

Locker plants in the township reported a total of 12 deer brought to them for preparation for freezing.

Solon Brothers at Niles reported 12 tags validated at the end of the first week of the hunt. Tony Silva at Sunol reported 16 tags validated.

Unlike last year the deer taken this season have all been healthy and heavy.

The success of hunters the remainder of the season, until September 16, is expected to be light.

MOONLIGHT SWIM ENDS IN TRAGEDY

A moonlight swim as the climax to a party ended in tragedy early Sunday morning at the Hidden Valley Dude Ranch with the drowning of Ervin E. Rohlff, 29, of Oakland.

Rohlff, accompanied by his wife, Martha, 28, and Mr. and Mrs. Benjamin Beynon, also of Oakland, had been partying at the dude ranch.

About 2:30 a.m. the two couples went to the pool for a swim. Mrs. Beynon told officers she thought she heard Rohlff call for help about 3 a.m. A quick search of the pool was made and when they were unable to locate Rohlff the fire departments from Warm Springs, Niles and Irvington were summoned.

Rohlff's body was found in the deep end of the pool. The fire departments worked over the body until 6 a.m. at which time he was pronounced dead by Dr. F. H. McMahon of Irvington.

The body was taken to the Berge Mortuary in Irvington and later transferred to Oakland.

TOWNSHIP PRODUCTS TO STATE FAIR

Washington Township products will be featured at the 1951 California State Fair at Sacramento which opens August 30.

Perhaps one of the greatest arrays of vegetables ever entered at the fair will come from the Centerville area under the auspices of the Japanese American Civic League. The Shikano Brothers are heading the committee on arrangements.

The Kraftile Company will have a unique display of their products made at their Niles plant.

Salines from Newark and Alvarado will attract additional attention to the resources of this area.

Wines from Misson San Jose have been entered by Mrs. Anne Mayock of the Los Amigos Vineyards and Weibel and Sons of champagne fame.

Mrs. Frank Enterline of Hayward will reign on Alameda County Day which has been announced for Friday, September 7.

Heavy Storm Losses Suffered by Industries

An electrical storm rolled in over this area about 10 a.m. Tuesday and resulted in thousands of dollars damage to industrial plants of the township.

Lightning struck at half a dozen locations in the township, knocking out power lines and starting fires. Two fires were started in the hills behind Niles but were quickly extinguished by the brief downpour of rain.

The 60,000 volt power line to the Pacific States Steel mill at Niles was knocked down by the lightning, halting all production. Partial production was resumed about 6:45 Tuesday evening but officials said yesterday that repairs to damaged equipment, caused by the sudden shutdown, would not make it possible for the plant to regain full scale production before next Monday.

Lightning struck a pole at the F. E. Booth Cannery at Centerville, blowing transformers and damaging the power system into the plant. Power was restored about 7 a.m. Wednesday but the company lost approximately 19 tons of peaches which had been peeled ready for canning when the power went off.

Newark plants lost but about an hour's production due to the power failure.

Pacific Gas & Electric Company crews were assembled from throughout the bay area and rushed here to work on an around-the-clock basis to repair the damaged lines and restore service.

Farmer reported only a minimum loss due to the unseasonal rainfall.

THREE MORE LIVES LOST ON MISSION HILL HIGHWAY

Three members of a Pittsburg family were killed and two critically injured last Friday evening in a highway crash about three miles east of Mission San Jose on the treacherous Mission-Livermore highway.

Killed in the crash were:

Mrs. Catherine Eva Corbett, 56.

Mrs. Callie Dare Young, 61.

Michael Bankson, 5.

Seriously injured in the accident were the boy's mother, Mrs. Mary Bankson, 29, and his twin brother, Billy.

The crash occurred when the car went out of control going down the steep grade, careened up an embankment, rolled over and then crashed into another car.

In the second car were Air Force Lieutenant John Ludlow, 27; his wife, Patricia, 26, and their five-month-old daughter, Lark. They were enroute to Houston, Texas, where Ludlow had been ordered for duty.

Ludlow was not injured but his wife and daughter were taken to the home of relatives in San Jose with minor injuries.

The bodies of the victims were taken to the Berge Mortuary Company in Niles and later transferred to Pittsburg for services.

Mrs. Bankson and her surviving son were transferred to the Pittsburg Hospital from Fairmont Emergency Hospital.

The accident occurred on an unmarked stretch of narrow, twisting highway which the Chambers of Commerce of Washington Township have long sought to have posted with warning signs.

Countless letters have been sent to the State Highway Department asking that caution and turn warning signs be posted along the highway but the only response to the requests have been that surveys will be made.

STATION LOOTED AT CENTERVILLE

The tire department of the L & V Service Station near Centerville on Highway 17 was burglarized late Sunday night or early Monday morning and tires and tubes valued at approximately $650 taken.

Seraphine Caldeira, owner, told officers that among the loot taken by the burglars were two new truck tires, three used truck tires, three recapped passenger tires, eight new passenger tires and 25 new tubes.

The padlock was removed from the steel grating guarding the entrance to the tire shop, either by cutting or jimmying the lock.

TOWNSHIP-WIDE ROAD IMPROVEMENT PLAN REVEALED

A street and road improvement program which will result in the resurfacing of many thoroughfares in Washington Township was announced this week by Chester E. Stanley, vice-chairman of the Alameda County Board of Supervisors.

Stanley, in collaboration with County Surveyor Wallace Boggs, has prepared a list of roads which are presently under construction or are about to be planned for reconstruction in the very near future.

In making the announcement Stanley called attention to the fact that all of the construction is being done by the county surveyor's road department.

"Realizing the ever rapidly growing community throughout the township with its great increase in traffic, good roads are most necessary," Stanley stated. He added that he will continue to work in conjunction with the surveyor's office to work for the improvement of all county roads in the district.

Chief Deputy County Surveyor K. W. Robarts lists the following improvements to be made:

Fair Ranch Road, Baker Road, Hall Ranch Road and Lowry Road: additional base rock added and the placing of an oil surface.

Alder Avenue: shoulders to be widened and oil surface improved.

Mill Creek Road: A light oil surface to be placed.

Roberts Avenue: To be reconstructed with necessary storm sewers to take care of drainage.

School Street (Niles): To be reconstructed and extended with necessary storm sewers.

Shinn Street: To be reconstructed with heavy type base and plant mix surfacing.

Benson Road (Alvarado): Additional rock base to be placed.

Third Street (Decoto): To be reconstructed with rock base and oil surface.

It was also announced that if weather conditions permit, the additional roads are scheduled for improvement: Beard, Vallejo, Tenth, "V" and Alvarado Streets in Alvarado, and Union, Lincoln, Main, Bay and Cemetery Streets in Irvington.

KNIGHTS OF PYTHIAS SPONSOR CARD PARTY

A card party open to the public with no admission charged will be held tonight (Friday) at the Newark Youth Center beginning at 8 o'clock, under the sponsorship of the Knights of Pythias Lodge.

SCENE IN CENTERVILLE

By IRENE MENDONCA

Irene Mendonca

BABY DAUGHTER

Mr. and Mrs. Vincent Damico are the proud parents of a baby girl born on Wednesday, August 15, at the San Jose Hospital. The little miss weighed eight pounds and has been named Maureen Lillian.

HOUSE GUESTS

Mrs. C. E. Ryan and children, Elizabeth and Ted, have been house guests at the home of her parents, Mr. and Mrs. Joseph Brown of Santos Avenue for a month. The Ryans are moving to Berkeley where they will reside. Mrs. Ryan's husband, Brigadier General C. E. Ryan, is stationed in Korea and her eldest son is at West Point.

A birthday party was held last Sunday for Elizabeth Ryan's tenth birthday. The guests were her cousins, Mary Lou, Hank and Denny Brown, Patty Brown, Skeeter and Harriet Brown, and her brother, Ted.

FIRST BIRTHDAY

Mr. and Mrs. George Silveira and family of Thornton Avenue attended a barbecue in San Jose last Sunday honoring Ray Botelho Jr., son of Mr. and Mrs. Raymond Botelho, on his first birthday. Others from Centerville who attended were Mrs. Eva Stevens and Mr. and Mrs. Art Gomes and son.

VACATION AT TAHOE

Mr. and Mrs. George Silveira and family of Centerville returned last week from a wonderful two-weeks vacation spent at Lake Tahoe.

VISITS OLD FRIENDS

Mrs. Mariana Mendonca of Oak Street spent last week with Mrs. Margaret Soito of Santos Avenue. Visitors there on last Monday were Mr. and Mrs. Tony Caldeira of Livermore.

WEEK-END GUEST

Mrs. Richard DeValle of Sacramento spent last week-end at the home of her husband's parents, Mr. and Mrs. Joaquin DeValle of Washington Avenue. She returned to her home on Monday afternoon.

NEW HOME

Mr. and Mrs. Tony Goularte moved into their lovely new home on Hansen Street this week.

SUNDAY VISITORS

Mr. and Mrs. Albert Brown of Mountain View visited the John Browns of Joseph Street last Sunday.

HONORED ON BIRTHDAY

Mrs. J. D. Lewis was honored on her birthday with a barbecue held last Sunday at the home of the M. W. Lewises on Oak Street.

The guests included her daughters and their families, Mr. and Mrs. Clarence Smith and Sharon of Milpitas, Mr. and Mrs. Don Lemos and son of Centerville, and Mr. and Mrs. Walter Donaldson and Sheryl of Walnut Creek; her father, J. V. Perreria, Mrs. Mae Smith, Mr. and Mrs. Clifford Costa, Mr. G. D. Lewis, the honoree's husband, and Mr. and Mrs. Robert Lewis of Santa Clara.

SOUTHERN VACATION

Mr. and Mrs. Henry Dias and Marlene of Santos Avenue, accompanied by Miss Shirley Mello of Beard Road, spent a wonderful week vacationing in Long Beach and Catalina Island. Also they spent a day in Mexico. They returned home on Sunday evening.

VISITOR FROM HANFORD

Marvin Miguel of Hanford has been vacationing with Mr. and Mrs. Gabriel Coit of Oak Street. He also spent a few days with Mr. and Mrs. Elmer Coit of Campbell before returning to his home on Thursday.

FAREWELL DINNER PARTY

A farewell party was held Wednesday evening in honor of Mr. and Mrs. Mike Cimino of Newark by Mr. and Mrs. Roy Moran of Palo Alto. The Ciminos are leaving shortly for New York. The guests were Mr. and Mrs. Vernon Brown and Mr. and Mrs. Lester Mann of Centerville, Mr. and Mrs. Vincent Kaehler and Mr. and Mrs. John Shull of Newark.

COUNTY ASKS MORE WORK ON FREEWAY

Recommendations that the work on the East Bay Shore Freeway be pushed to completion as early as possible were made Wednesday in Oakland at a meeting of the Alameda County Highway Advisory Committee and the California Highway Commission.

In its recommendations for the fiscal year 1952-53 the County Committee listed two categories of projects: A—projects upon which actual construction should be initiated in the fiscal year 1952-53; and B—projects upon which expenditures should be made for planning, surveys, designs, acquisition and protection of rights-of-way during the fiscal year 1952-1953.

In the A division the committee recommended construction of the freeway in Alameda County southerly from Warm Springs to the Santa Clara County line with an allocation in Santa Clara County sufficient to complete the section between San Jose northerly to the Alameda County line, and construction of the freeway section through Castro Valley.

In group B the committee recommended that rights-of-way protection should be initiated on the freeway section between Mt. Eden and the southerly Alameda County line.

B.P.W. CLUB PLANS SUNDAY PICNIC

Members of the Business and Professional Women's Club of Washington Township and their guests will motor over to San Rafael this Sunday to be guests at the summer place of one of the members, Miss Dorothy Czerny. A beach picnic is planned.

LEGAL NOTICE

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that the Board of Trustees of Niles School District of Alameda County, California, hereby calls for sealed bids to be delivered to the Clerk of said Board at the office of the District Superintendent in the Niles School Building, Second and School Streets, Niles, California, until the 11th day of September, 1951, at 7:30 P.M., at which time and place said bids will be opened for leasing one (1) new seventy-one (71) passenger, transit type, elementary school bus, and for purchasing one (1) used school bus from said district;

Each bidder shall agree in his bid to grant to said school district the options to extend said lease and the option to purchase said bus as is more fully described in the specifications and proposal form on file with said Board of Trustees.

Each bidder for the leasing of the new school bus to said district shall agree in his bid to purchase and remove from said Niles School grounds hereinabove mentioned, that certain used school bus belonging to said district and more particularly described in the said specifications, and shall state in his bid for leasing the new school bus the amount of the purchase price of the used school bus being purchased from said district which shall be applied toward the rental of the new bus, provided, however, the Board of Trustees reserves the right to accept the lowest responsible bid for leasing a new school bus and to reject any and all bids for the purchase of said used school bus, if the bids received for the purchase of said used school bus are not satisfactory to said Board of Trustees, and provided further that the Board of Trustees reserves the right in addition to reject any and all bids for the leasing of said new school bus. If the Board of Trustees determines to accept one of the bids for the purchase of the used school bus, the contract awarded will be awarded to the bidder whose net bid for leasing the new school bus is the lowest after deducting the amount bid for the purchase of said used school bus and whose bid for selling the new bus to the district under the option to purchase the bus is also the lowest, provided said bidder is a responsible bidder and the new school bus which he offers to furnish complies with the specifications. All bidders must bid on leasing the new school bus and on purchasing the used school bus.

These bids shall be presented in accordance with the specifications therefor which are on file with said Board of Trustees at its office located as hereinabove mentioned.

All bids must be on proposals obtained from said office of the Board of Trustees and must be filed by the bidder and accompanied by a check certified without qualification by some responsible bank or banker and made payable to the Niles School District of Alameda County to be retained by said district as agreed and liquidated damages should the party or parties to whom the lease is awarded fail to enter into the lease after the award or to give the bond required for the faithful performance of the lease agreement. The amount of said check shall be for One Hundred Fifty Dollars ($150.00).

By order of the Board of Trustees, August 16, 1951.

H. L. SCOTT
Clerk of the Board of Trustees of Niles School District of Alameda County, State of California. A24,31

NOTICE OF HEARING PETITION FOR ANNEXATION OF TERRITORY TO UNION SANITARY DISTRICT

NOTICE is hereby given that the following petition for annexation of territory to Union Sanitary District, Alameda County, California, will be presented to the Sanitary Board of said Union Sanitary District on the 12th day of September, 1951 at the hour of 7:30 o'clock P.M. of said day at the regular meeting place of said Sanitary Board at 116 Baine Avenue, Centerville, Alameda County, California, at which time and place all persons interested may appear and be heard:

PETITION FOR ANNEXATION OF TERRITORY TO UNION SANITARY DISTRICT

TO THE SANITARY BOARD OF UNION SANITARY DISTRICT:

The undersigned respectfully request that the necessary steps be taken to annex the contiguous territory herein described to Union Sanitary District pursuant to the provisions of Division VI, Part 1, Chapter 9, Article 3 of the Health and Safety Code of California, and respectfully set forth and represents:

I.

That the boundaries of the contiguous territory hereby sought to be annexed to Union Sanitary District are specifically described as follows:

Real property in Washington Township, Alameda County, California, described as follows:

Commencing at the most northerly corner of Lot 8, as said lot 8 is shown on the hereinafter mentioned map, and running thence southwesterly along the northwesterly line of said lot 8 to the most westerly corner thereof; thence southeasterly along the southwesterly line of said lot 8 to the center line of Morrison Avenue, being the southeasterly line of said lot 8; thence northeasterly along said southeasterly line to the northeasterly line of said lot 8; thence northwesterly along said northeasterly line to the point of commencement.

Being all of lot 8, as said lot is shown on that certain map entitled "Subdivision Map of Perry Morrison Property being portion of Surveys No. 25 & 34 Ex Mission Lands, Washington Township, Alameda Co. Cal. June 1889", filed August 30, 1889 in Book 10 of Maps at page 48 thereof, Alameda County Records, California.

II.

That each petitioner is the owner of real property in the territory proposed to be annexed; that the real property owned by your petitioners represents at least seventy-five per cent of the total assessed valuation of the territory proposed to be annexed as shown by the last equalized assessment roll of Alameda County, California; that said territory above described is wholly in Alameda County, California, and is not in any other sanitary district and is contiguous to said Union Sanitary District.

III.

That the total assessed valuation of the territory above described as shown by the last equalized assessment roll of said Alameda County is the sum of $3,900.00.

IV.

That the amount of real property owned by each petitioner and its assessed valuation as shown by the last equalized assessment roll of said Alameda County is set forth after the signature of each petitioner.

V.

That the boundaries of the territory proposed to be annexed have been approved by the Alameda County Boundary Commission in its report and recommendation No. 57, dated May 24, 1951.

WHEREFORE, the undersigned asks that the necessary steps be taken to annex the territory above described to Union Sanitary District pursuant to the provisions of Division VI, Part 1, Chapter 9, Article 3 of the Health and Safety Code of California.

180 Horsepower!

Until you drive it you'll never know what

Chrysler FirePower V-8

does for you!

YOU'VE HEARD THE TALK about Chrysler's revolutionary new V-8 FirePower engine . . . with its 180 horsepower, its amazing smoothness and acceleration . . .

NOW COME DRIVE THE REASON for all this excitement. Here is the most revolutionary advance in American motor car engine design in 27 years! . . .

HERE'S 180 HORSEPOWER . . . a full 20 horsepower more than that of the next most powerful American passenger car engine! . . .

A NEW KIND OF HIGH COMPRESSION . . . the first *Hemispherical* Combustion Chamber in an American car engine actually *puts to work more of the energy* contained in the fuel than other engines.

HERE'S EXCITING PERFORMANCE . . . responsiveness, acceleration, smoothness, which no other passenger car engine built in this country can equal today. And you can have it with FirePower even on non-premium grade gasoline.

HERE'S THE SAFETY OF POWER-IN-RESERVE greater than you've ever had at your command —a new high in the instant responsiveness which is the very essence of safety on today's highways!

YOU'LL LIKE CHRYSLER'S POWER BRAKING, TOO . . . smoother, gentler, swifter stops at any speed than you've ever known. At the touch of your toe, power from the engine helps put on the brakes . . . reduces foot pressure by as much as two-thirds!

AND HYDRAGUIDE . . . THE NEW POWER STEERING! It makes driving a car a brand new experience. At your touch on the wheel, *hydraulic power* provides four-fifths of the steering energy. Even at a standstill, you can turn the wheels with your thumb and one finger! A great safety feature.

COME DRIVE IT . . . ONLY A RIDE CAN SHOW YOU WHAT ONLY A CHRYSLER GIVES!

MISSION SAN JOSE NEWS

By LOIS BOTTENBERG

Lois Bottenberg

VACATION AT TAHOE

Alvin and Joy Ann Feleciano, children of Mr. and Mrs. Johnnie Feleciano, have returned from an extra week's vacation at Lake Tahoe. Their folks were there the first week.

HOME AGAIN

We are glad to hear that Mrs. Rose Souza is back home from the San Jose Hospital following major surgery last week. She is recuperating at her home on Ellsworth Street.

NOMADS

They are back again for a short stay, those wandering nomads from Soda Springs, Molly Steele and her son, Douglas, who will stay till nearly school time with her parents, Mr. and Mrs. Joe Santos. They really have a home at Soda Springs. I'm just kidding about the nomad part of it, for daddy Art Steele keeps the home fires burning there.

NEW RESIDENTS

Mr. and Mrs. Clyde L. Reese and family, formerly of Castro Valley, have moved into the Stuart Fletcher home here in the Mission. I have not been informed yet, but I for one hope they have bought so they will be permanent residents.

AN ACCIDENT

Mrs. Margaret McClure was hobbling around here all week with a broken toe. She stumbled in the dark in her home and is under the care of her doctor.

ANOTHER FAMILY

Mr. and Mrs. J. Castro, who are building their new home in the Mission Heights district, are progressing nicely and before too long we will see another permanent family in our midst. He is a nephew of Frank Castro.

BACK HOME

Miss Holly Solon, granddaughter of Mr. and Mrs. Cyrus Solon of the Mission, has returned to her new home in San Jose with mommie and daddy and little brother. They were formerly of San Francisco.

FROM REDWOOD CITY

Mr. and Mrs. Floyd H. Cross and family of Redwood City spent Sunday here at the home of Mr. and Mrs. Bottenberg visiting Mother Wilcox.

CIVIC-MINDED

Miss Olive Hyde has purchased the lot next to the Marshall Cash Grocery and her gardener, Richard Meyers, is cleaning it all up and, even though it is only partly done, it is a great improvement. Miss Hyde is very civic minded and all her property in the Mission is in tip-top shape and very attractive.

IN YOSEMITE

Mr. George Watt, who works at Dominican Convent, is spending a nice vacation in Yosemite.

MORTON SALT COMPANY HONORS EMPLOYEES

Six employees of the Morton Salt Company at Newark were awarded company service pins at the plant Tuesday.

The honored employees and the number of years they have served the company are as follows: Mrs. Lois L. Hammond, 15; Frank Phippen, 15; John E. Talley, 15; Mrs. Lucille Holt, 5; Alfred Parrish, 5, and Miss Shirley Sarmento, 5.

SHERIFF BUILDING LARGE DEFENSE RESERVE FORCE

A goal of 800 trained sheriff's reserves and auxiliary police for civil defense disaster duty was set this week for Southern Alameda County by Sheriff H. P. Gleason, as part of a regional law enforcement plan for the nine bay counties.

Some 400 of the needed recruits have been in training for the last six months at Centerville, Hayward and Santa Rita Rehabilitation Center under the direction of the sheriff's department. An additional 400 will be assembled this fall, when a new course of basic training is to be instituted by Sheriff Gleason.

The civil defense forces will be needed as emergency reinforcements for the critical target zone of metropolitan Oakland in case it is hit by atomic air attack. Included in the designated "critical target area" are the cities of Oakland, Alameda, San Leandro, Piedmont and Emeryville. South county territory has been characterized by civil defense authorities as a "support zone," to serve as an evacuation and welfare area, and a source of emergency manpower.

Missions assigned to the law enforcement groups within the support area itself include duty in congregate shelters, hospitals, and on mobile support teams; and for police duty and traffic control inside the incorporated cities of Hayward, Pleasanton and Livermore.

Under the emergency plan, Gleason explained, a total of 1133 regulars, reserves and auxiliaries will be required to man the civil defense law enforcement courses.

Men completing the basic training and "refresher courses" which Lt. Floyd Heffron has been conducting this summer at Santa Rita Rehabilitation Center will shortly be graduated, Gleason stated. Advanced classes will open the week of September 17 at the three south county training headquarters.

Where's the Fire?

Sunday, August 19, 4:35 a.m., inhalator call to Irvington, Warm Springs and Niles fire departments, drowning.

Monday, August 20, 11 a.m., plane crash on Lincoln Road, Newark.

Tuesday, August 21, 10 a.m., hill fire caused by lightning, Niles.

PARACHUTIST DIES AT WARM SPRINGS

A 25-year-old Navy parachute packer plunged to his death in a practice jump at the Warm Springs Airport late Sunday evening.

He was George William Sharpe of Composite Squadron Three, Moffett Field.

Sharpe jumped from a civilian plane at an altitude of 2,000 feet. His parachute failed to open until he was but 25 feet from the ground, witnesses told Naval authorities. He was killed instantly.

He is survived by his wife, Helen, and a small son, of San Bruno.

FRANK McGOWAN TAKEN BY DEATH

Funeral services were held on Monday for Frank McGowán, 66, who died at his home at Niles last Friday.

He was the husband of the late Myrtle McGowan; father of the late John McGowan and grandfather of Michael and Patricia McGowan of Niles.

He was a native of Canada and a member of B. P. O. E. No. 1015 of Alameda, and Carpenters Union, Hayward Local.

Services were held from the parlors of the Chapel of the Palms, Centerville, followed by a requiem mass at Corpus Christi Church, Niles.

Interment was at Holy Sepulchre Cemetery, Hayward.

Bridge Club

Mrs. Jud Taylor entertained the members of her bridge club last Tuesday evening at her home in Newark. Those attending included: Mmes. John Schull, William Dutra, Vernon Brown, Vince Kaehler, Paul Gygax and Lester Mann.

The United States Postal Savings System was inaugurated January 3, 1911, simultaneously at 48 post offices.

Oakland Couple Buys Gorman Home

Having sold their home in Niles, Mr. and Mrs. A. W. Gorman will again call San Francisco their permanent home. They have been "part time" residents of San Francisco for the past two years, coming to Niles only on week-ends and during the summer. They have lived here for the past eight years. Prior to that time they made their home in San Francisco.

Mr. and Mrs. Charles A. Russell bought the Gorman home and expect to be moved in by next Monday. Mr. Russell is with the Charles A. Russell Development Company of Oakland. They formerly made their home in Oakland.

Return from Yellowstone

Mr. and Mrs. Tony Lucas of Niles recently returned home from what proved to be the most interesting and enjoyable trip they have ever taken. Their destination was Yellowstone Park, but enroute they stopped off at many interesting scenic spots. The most fascinating town they entered was Jackson, Wyoming, "which," said Mr. Lucas, "was a real cowboy town. All the clothing stores used antlers on which to hang the men's and women's apparel. It was certainly a wild and woolly town."

They were very much impressed by their tour of Grand Coulee Dam, and by the Snake River in Idaho, along which they drove for several miles.

Thinking Things Over . : :

By VIVIAN BATMAN

A RELAXING TRIP

We decided to take a trip to Arcata to see what Humboldt State College looks like. Our son is planning to go there this fall.

"Let's do what the billboards advise," I said to my husband. "Next time try the train."

So I told my husband just to relax, that I would take care of everything, including the reservations. He wouldn't have to worry about driving or anything. It would be a nice easy trip for him.

It WAS nice and easy. Until we got to the Ferry building in San Francisco, where we were to pick up the tickets.

It was my duty to stay in the car behind the wheel and make like I was ready to take off any minute in case a policeman should come up and want to know what in thunder we were parked THERE for.

So my husband went into the Ferry building to get the tickets.

An hour and a half later he came out. His tie was awry, and his hat was bashed in.

"Oh my goodness," I said sympathetically, "did you get in a fight?"

"You might call it a fight," he growled. "It was a fight to get up to the ticket window, with half a thousand people crowding in on you."

So then we got in a bus, which was to take us over to San Rafael, where we were to board the train.

"This is a quaint old bus," I said, as I came down to the seat with a thud, after being heaved up almost into the suitcase rack. "They probably use it only on special occasions, just to give the tourists a thrill."

"No doubt," said my husband, gripping the railing on the seat ahead. Then he managed to gasp out between take-offs and landings, "We—have a lower—in—Pullman number one."

"That'll—be—pretty close—to the engine," I panted, as I posted along.

We needn't have worried about making a choice of pullman cars. There was just one.

"It'll be fun having dinner in the dining-car," I said.

"WHAT dining-car?" asked my husband.

So there wasn't any dining car. So we bought a couple of sandwiches wrapped in wax paper.

"Now just sit back and relax and eat these nice sandwiches," I said to my husband. "They're nice and fresh."

"Yeah, there's nothing like relaxing over a nice cold sandwich for dinner," he said.

"Well, we can find the lounge car afterwards, and just lounge for a while and maybe listen to a radio, or they'll probably have some magazines, or we'll very likely meet some interesting people."

There were four seats in the lounge car, facing each other, and two ash trays, and a Fat Ten Year Old Inquisitive Girl. (Every trip I've ever taken there is a Fat Ten Year Old Inquisitive Girl.)

There were no magazines and no other people, and no radio.

We sat for a while. Finally I broke in on the silence. "Where IS everybody?"

The Fat Girl broke in. "My grandpa and grandma are in a compartment. Why don't YOU have a compartment, then you wouldn't have to sit here."

After she had stared at us for ten minutes longer, my husband said, "I think I'll go out on the platform and have a smoke." I followed him out.

The brakeman was out there, reading a book. "Say!" he exclaimed, "there goes three whistles. Now, that means something. Wait a minute, while I read what it means. I'm just new on the job, you know.

"Watch me!" he said. I expected him to go on and add—"No hands!" but he said instead, "I'll show you how I can pick up deer in the hills with this flash light."

He proceeded with this operation, flashing the light into the abyss of darkness. We waited breathlessly, expecting to see a deer any minute.

"Guess they're not out tonight," he said. Then another whistle blew and he had to get out his book again. Then he said, "We're coming to a stop again. I gotta feed a dog here," and with that he got some food out of his pocket. After he'd fed the dog he signalled for the train to go on.

"When we come to the next stop—it'll probably be in another ten minutes, won't it?—do you mind if I get out and pick some of those pretty daisies along the track?" I asked the brakeman.

He said, "Sure, lady, go right ahead."

"Isn't this fun?" I asked my husband. "Now we can go to bed in a nice comfortable berth and you don't have to worry about driving or anything—just relax."

After an hour or so, I got an attack of claustrophobia. "I can't stand it in this berth," I hissed to my husband. "I've got to have air. Ask the porter to open a window or something."

But the windows wouldn't open because they hadn't been opened since the pullman was built—in 1907 or something—and the porter wouldn't dare turn on the fan because the battery might run down.

So my husband got me some ice water. But this didn't do my claustrophobia any good, so I went to the ladies' room to wash my face in cold water. The Fat Ten Year Old was in there.

"Why aren't you in your compartment with your grandparents?" I asked her.

"They're snoring," she said. "I like it better in here." Then she went on. "Do you like horses and dogs?"

I said they were all right in their place, but right now I preferred air—and lots of it.

She glared at me icily. "I see we have nothing in common," she said, and departed haughtily.

When I got back to the berth I had a scare and gave a shriek. The porter came running. "I—I think it's the wrong man," I said. "I don't think it's my husband."

But my husband stuck his head out of the curtains. "Look," he said—he had big bags under his eyes—"It's me all right, and why don't you go back to the platform and talk to the brakeman again. Maybe you and he can learn the signals together."

That was the trip up.

On the trip back, a freight train ahead ran off the track. We were held up for 4 hours. It was exciting. They even ran out of wax-paper sandwiches, and nobody had any breakfast, and even the packages of chewing-gum were all sold out.

My husband is acting awfully funny these days. Maybe he got too relaxed on the trip or something. Anyhow, every time he hears a train whistle these days, he gets kind of nervous and shaky.

Niles Man Nearing Another Milestone

Mr. George Barker, whose friendly manner and cheerful philosophy make him one of Niles' best-liked citizens, is celebrating another birthday next Monday, August 27. He will be 88 years old.

A native of England, he has become a familiar figure in Niles since coming here several years ago. He is best known, perhaps, for his greeting card business, which has made many friends for him as well as providing him with a profitable business.

Although he cheerfully quips, "I'm only walking around to save funeral expenses," his friends are confident and hopeful that he will be here to celebrate his ninetieth birthday, two years hence.

Shower Predicted

Mrs. Amador Pratali (Merle Dabner) will be the guest of honor at a stork shower to be given tomorrow (Saturday) afternoon with Mrs. John Berchem and Mrs. Julius Berchem acting as co-hostesses. The party will be held at the Julius Berchem home in the Ellsworth Orchard.

Those invited include the honoree's mother, Mrs. G. Dabner, and Mmes. L. L. Lewis, Edna Holloway, Loretta Rosenga, Barbara Davis, Kitty McKiernan, Lucille Brown, Ernestine King, Phoebe Berchem, Freda Toensing, Esther Lanfree, Vivian Medeiros, Sylvia Saunders, Lola Alves, Jennelle Goularte, and Mrs. John Alves and Miss Charlotte Lewis.

Former Teacher Married Saturday

Many localites motored to San Francisco Saturday to attend the wedding of Merton Jones, former science teacher at Washington Union High School. Those attending the ceremony were Mr. and Mrs. Leonard Rose, Mr. and Mrs. Edward Dutra, Miss Dorothy Enos, LaVerne Ferreira, Dorothy Czerny and Don Brittain.

Have you read the Want Ads?

Mayer in Hospital

Frank Mayer of Irvington is in St. Francis Hospital, San Francisco, suffering from a heart ailment. He was taken to the hospital last Friday and was expected to return home this week.

Trip to Colorado

Mr. and Mrs. James McKiernan of Niles are looking forward to a trip they are planning to embark on September 1. They will go to Glenwood Springs, Colorado, to visit friends whom they haven't seen for 24 years. They expect to be gone for two weeks.

Motoring Trip

Mr. and Mrs. Joe Shepherd of Centerville spent last week-end on a motoring trip to Reno, Carson City, Virginia City and other points of interest.

Family Reunion

With three sisters visiting her this week, Mrs. Sam Scott of Newark is participating in a great deal of conversation that starts with "Have you heard—?," and is enjoying every minute of it. Her sisters are Mrs. Ralph Barnes of Arcata, Mrs. Fred Roseneau and daughter, Jane, of Great Falls, Montana, and Mrs. H. J. Webb of Stockton. With Mrs. Webb are her husband and two children.

Mr. and Mrs. Paul Heiling of Newark returned home Monday from a three weeks' vacation spent at Paraiso Springs and Dardanelle.

Pre-Bridal Affairs For Shirley Alameda

Miss Shirley Alameda, daughter of Mr. and Mrs. A. E. Alameda of Irvington, was the guest of honor at a miscellaneous bridal shower given last Friday evening at the home of Mrs. Louis Cardoza, with Mrs. Vernon Rose as co-hostess.

Miss Alameda will become the bride of Mr. Gene Lorenz at a ceremony to be performed this Sunday afternoon in the gardens of the Alameda home on San Jose Avenue.

The buffet table at the Cardoza home was attractively decorated in the bridal motif, with a bridal wreath sheltering a miniature bride and groom. Pink carnations and Esther Reed daisies were used effectively in the arrangement.

Those present included Mmes. A. E. Alameda (mother of the bride), Stanley Maffey, Walter Connolly, Loren Marriott, E. H. Hirsch, L. S. Williams, John Santos, Alfred Nunes, Robert Kithcart, Edmond Brask, Petra Gronley, Stanley Alameda, Irving Alameda, Boyd Crowe, William Furtado Jr., Olive Silva, and Margaret and Gloria Nunes. Mrs. Val Tuchsen and Mrs. Melford Alameda sent gifts but were unable to attend.

On Saturday afternoon, prior to the wedding, Shirley and Gene will be honored at a cocktail party given by Shirley's aunt, Mrs. Charles Sargent, in their beautiful new home in Alameda into which they moved just this week.

House Guests

Mr. Kenneth Berg returned home to Centerville Wednesday night by plane from New York where he spent three weeks on a business trip. He also stopped in Atlanta to visit Dr. and Mrs. Paul Van Sant. Mrs. VanSant is Mrs. Berg's sister.

Another sister of Mrs. Berg, Miss Mary Jo Macpherson, is visiting at the Berg home this week and Mrs. Berg is planning a party for teen-agers in her honor tonight.

Other house guests next week of Mrs. Berg's will be Mr. and Mrs. Donald Spindt and two daughters of Redlands. Mrs. Spindt is Mr. Berg's sister.

Dinner Guests

Mr. and Mrs. Allen Starr, who returned from their honeymoon last week after their recent wedding in Reno, entertained dinner guests Wednesday evening at their ranch home on Mission Peak. Those present were Mr. and Mrs. Bruce Michael and Mr. and Mrs. L. R. Batman.

Move to Centerville

George Kralovansky, genial service station man at the corner of the highway and Mowry Road, has purchased the Nelson property in Centerville and is moving in, according to Mr. E. B. Hodges, who handled the transaction.

To Lake Tahoe

Miss Cecelia Enos of Niles will spend this week-end at Lake Tahoe at the summer home of her sister, Mrs. John Rogers of Antioch, who will also spend the week-end there with her husband, and their daughter and son-in-law, Mr. and Mrs. Edmond Calessi.

Party for Mother Of Bride-Elect

Mrs. S. G. Scott of Newark was hostess at a bridge party last Friday evening honoring bride-elect Edith McDowell's mother, Mrs. Genevieve McDowell. Miss McDowell will become the bride of Bill Mette this Saturday. Inasmuch as Mrs. McDowell is not acquainted here—her home is in Phoenix—Mrs. Scott conceived the idea of arranging a party so that she can meet a few of the friends of her future in-laws.

Mrs. McDowell received the guest prize at the party, and oddly enough, Mrs. Mette, the bridegroom's mother, won the first prize in the bridge game. Thus Honors were evenly distributed between the two mothers.

Invited to the party were Miss McDowell and her mother, and Mrs. Mette, and Mmes. Kenneth Foster, Fred Melhase, Vernon Brown, Edgar Van Scoy, Arthur Freeman, Kenneth Bruner and her twin sister, Mrs. Thompson, and Mrs. Scott's daughter, Emily Jane.

Mrs. Carl Miller, the bride-elect's sister, was unable to attend because of illness.

Now in Korea

Albert Durazo, now with the USMC in Korea, writes back to friends here that the weather is HOT. He admits, however, that the Korean terrain, though very rugged, is beautiful. Albert is the son of Mr. and Mrs. Rufio Durazo. One of his requests back here is that he receive The Township Register, which will be on the way to him this week.

A New Vieux

Robert Alfred is the name that has been bestowed on the latest addition to the Vieux family. He weighed eight and a half pounds, was born at San Jose Hospital Tuesday, and is the first child of his parents, Mr. and Mrs. Robert Alfred Vieux of Sunol.

Betty Bettencourt Names Attendants

Miss Betty Bettencourt of Centerville will become the bride of Mr. Alfred Klingler of San Francisco on Saturday, September 1, at nuptial mass at the Holy Ghost Church in Centerville. The wedding will take place at high noon.

Betty, the daughter of Mr. and Mrs. George Bettencourt, is a surgical nurse at St. Joseph's Hospital in San Francisco.

The bridegroom, son of Mr. and Mrs. Frank Klingler, is employed as an electrician.

Maid of honor will be Elaine Bettencourt, and Evelyn Bettencourt, bridesmaid. Both girls are sisters of the bride-to-be.

George J. Bettencourt, brother of the bride-to-be, will be best man, and Bob Garcia of Hayward will be usher.

A reception will follow immediately after the ceremony.

—Irene Mendonca

Now a Foursome

The John Kane family of the Ellsworth Orchard is now a foursome, their second child, a son, arriving at Mills Memorial Hospital last Wednesday night. The baby, who has been named Kevin John, weighed six pounds and two ounces. His sister, Kathleen, will celebrate her second birthday this Saturday.

Hurt on Vacation

Mr. and Mrs. O. W. Ebright of Niles had their vacation marred by an auto mishap last Sunday enroute home. Their machine was involved in an accident near Ukiah and Mrs. Ebright suffered minor injuries. She was hospitalized for a few days but returned home the middle of the week.

To Healdsburg Ranch

Motoring up to Healdsburg last Monday to the prune ranch belonging to Mrs. W. S. Robie of Alvarado were Mrs. Robie, Mr. and Mrs. F. A. Muller and Mrs. Ruby Rogers. Enroute home they stopped at a fern nursery at Fairfax and couldn't resist buying some of the beautiful ferns.

Shower Honors Mrs. A. J. Rosenga

Honored at a baby shower given on Sunday, August 19, by Mrs. A. Rosenga Sr. and daughter, Loretta, was Mrs. Loretta Rosenga (nee Lewis) who, with her husband, Lt. A. J. Rosenga Jr., is on three weeks leave from George Air Force Base, Calif., visiting family and friends.

Lovely centerpiece for the table, "Welcome, Little Stranger," was a large cake decorated with a frosted bassinet.

Present besides the honoree, were the Mmes A. Rosenga Sr., E. Rinetti, Maria Oddone, E. Oddone, J. Bruno, L. Accernero, O Corti, O. Dalcino, E. Dalcino, G. Dalcino, H. Montez, A. Dalcino, M. Zoffada, E. Cerruti, R. Rampone, L. Lewis, W. Halloway, J. D'Assisi, H. Caraballo, J. Brignolio, W. Lenhartd, E. Plate, J. Montez, A. Seronello, M. Bossetti, C. Silvera, M. Lussoro, A. Mozzetti, E. Lisle, and the Misses Charlotte Lewis, Dahlia Bruno, Janet Bruno, Lelia Bruno, Rose Lombardi, Loretta Rosenga, Barbara and Carol Ann Seronello.

Those sending remembrances but unable to attend were the Mmes. A. Rinetti, B. Rinetti, M. Rinetti, L. Rinetti, F. Harrison, L. Oddone, G. Corti, F. Gigli, J. Perry, C. Tirone, J. Alexander, J. Lucich, C. Souza, N. Sbranti, C. Amar, H. Schmalfeld, L. Cesi, F. Fraga, F. Heblon, B. Ullman, J. Castaldo, M. Ratto, L. Silva, A. Pratali, W. Davis, L. Wentworth, and the Misses Diane Avakian, Frances Oddone and Stella Lombardi.

After viewing the many lovely gifts for the baby, the guests were served a buffet supper.

Localites See Hollywood 'Spots'

Miss Dorothy Enos of Irvington and Mrs. Gertrude Dutra of Niles returned home last week-end from a week's vacation spent in Hollywood. While there the young ladies attended the premier of the movie, "Captain Horatio Hornblower"; saw the annual charity baseball game between the Gary Cooper "Cut-throats" and the Bob "Hopefuls" featuring a lineup of movie stars, and attended several radio broadcasts.

Meckins Leave On Eastern Trip

Mr. and Mrs. Gerald Meekins and family of Centerville left last Friday evening on a trip which they have been planning and postponing all summer long.

They motored to Los Angeles where the children will spend the vacation with relatives and Mr. and Mrs. Meekins left via plane for the east. She will remain with relatives in Iowa while Mr. Meekins goes to Detroit to pick up a new truck for the Kaufmann Milling Company of San Jose. They will both make the return trip to the coast in the new truck. They expect to return home about September 1.

The Mayock Brothers

Mrs. Ann Mayock is one of the mothers in the township who takes more than a casual interest in the war news coming out of Korea, for her son, Stoney, is at the fighting front with the Marine Corps, and has been there for three months.

Mrs. Mayock's other son, Douglas, is at San Francisco Conservatory of Music studying voice, as his major subject, and piano as a minor. Prior to entering the conservatory he had already achieved considerable recognition in local musical circles for his fine baritone singing.

New Residents

Mr. and Mrs. Brad Agrella will be new residents of the township as of September 1. They have purchased the Maurice Marks home in Mission San Jose. The Marks retain seven acres of the property, however, and are building a new home there. Until their new home is completed they will be more or less camping out.

The Agrellas, who have two sons, Gordon, 15, and Bruce, 9, are from San Leandro, where Mr. Agrella is connected with the L. A. Young Spring Company.

At Tuolumne Meadows

Mr. and Mrs. Roland Bendel returned home to Niles Sunday after a two weeks' vacation at Tuolumne Meadows. During their stay their son, Lt. (jg) Roland Bendel, came up for a short visit. They also met other Niles people up there, including the Tom Robbins family, who were on their vacation trip, and Larry Lamoreux, who is up there with the Boy Scouts.

SPORTS

BEARCATS SCORE 15 TO 1 VICTORY

By TONY ROGERS

The Centerville Bearcats had no trouble dumping the Santa Rosa Merchants at Boyes Springs last Sunday by the score of 15 to 1 with the game called in the seventh inning.

The weakest team yet encountered by the Bearcats, the Santa Rosa club was poorly managed, was lacking strength in the pitching department and committed 11 costly errors.

Garry Silveira was on the mound for the local club and allowed but two hits, walked six and got six strikeouts.

George Sweeney led the team at the plate with two singles in two charged times at bat. Marshall and Silveira also had good days at the plate, each getting three hits in five times at bat. The one double play of the game was from Rose to Lemos to Roderick in the fourth inning.

The team was managed by Clarence Soito in the absence of Frank Mayer, who is in a San Francisco hospital.

The box score:

BEARCATS

	AB	R	H
Marshall, cf	5	2	3
Sweeney, lf	2	2	2
Roderick, 1b	3	2	1
Rose, 2b	5	2	1

YMI TEAM WINS SOFTBALL LEAGUE PLAYOFF TROPHY

The softball club of the Young Men's Institute, Mission San Jose, won the Washington Township Softball League playoff for the President's Trophy last Friday evening by defeating the Ray's Market Club 6 to 0 in the final game of a three-out-of-five series.

The two teams, second and third place winners in the regular season of league play, were pitted against each other for the trophy when Kleine's Club, undefeated in league play, withdrew from the playoff.

The trophy will be presented at a banquet to be given in the near future for all players, managers and sponsors of league teams.

The Y.M.I. team, managed by Walter Zbyzenski of Irvington, was comprised of Theodore Garcia, pitcher; Philip Enciso, catcher; John Aguiar, first base; Bill Pereira, second base; Nonie Fernandes, shortstop; Moe Oliveira, third base; Walter George, left field; Al Lebon, centerfield; Joe Rebello, right field; Reno Bernard, pitcher; Tony Prades, utility; Joe Fereira, utility, and Tony Rogers, coach.

NILES RACE DRIVER IN BAY MEADOWS MEET

Chet Richards, Niles racing driver, has entered the Pacific stock car race to be run at Bay Meadows Sunday. He will drive his Lincoln in the event.

Top race drivers of the west have entered the 250 mile $10,000 classic.

A cubic foot of aluminum weighs 168 pounds.

MODEL BUSTERS WIN NEW AWARDS

The Newark Model Busters, model airplane enthusiasts, continued to gain new laurels last week-end by winning awards in the Yolo County Fair at Woodland.

Four of the club members won awards in the novice division.

Lovell Scott, 11, of Niles, won the gold first-place trophy and his sister, Patsy, 9, the only girl competing in the novice division, won fourth place. Second and third awards were won by Clifford Andrus, 9, and Jimmy Wood, 8, both of Newark.

Other club members competing in the meet were Kenneth Andrus, Dwain Wood, Donald Wood, Louis Smith Jr., Frank Adams, Jerry Gilliam, all of Newark, and Gordon Kibby of Niles.

The group was accompanied by Mr. and Mrs. Ronald Andrus of Newark and L. E. Scott of Niles.

They are now grooming their planes for competition in the meet at the California State Fair on September 8 and 9.

The Model Busters are also in line for the trophy to be presented in January by the West Coast Model Association for the club initiating the most beginners into model building and flying. The Newark club is leading all other clubs by 43 points.

DELEGATES NAMED TO 4-H CLUB CONVENTION

Two Washington Township delegates have been named to attend the annual 4-H Club convention at Davis, August 29-31, according to Gladys Boone, home advisor.

Rodney Alberts of Mission San Jose and Nancy Coelho of Warm Springs will join 14 other delegates from Alameda County at the convention.

NO TIME

My column is going to be short and sweet this week for, after all the canning I did, I hadn't the ambition or time to write more news.

PINOCHLE CLUB MEETS

Mr. and Mrs. Lester Watkins entertained at their home last Saturday night for the Pinochle Club. Jello, whip cream and sweet doughnuts with coffee were served. Lester Watkins won first, Mrs. Parks second, and Tony Costa low. The next meeting will be held at the home of Mr. and Mrs. Ed Moniz in San Leandro. Present were Mr. and Mrs. Ed Moniz, Mr. and Mrs. Don Morgan of San Lorenzo, Mr. and Mrs. A. L. Costa, Mr. and Mrs. Jim Parks and Florence Wallace.

ANNIVERSARY

Congratulations to Mr. and Mrs. Bernie Joseph who celebrated an anniversary on Thursday, August 16.

NEW CAR

Mr. and Mrs. Jack Soito of Decoto Road are sporting around in a new 1951 green car.

HARVEST FESTIVAL

Plans for the annual harvest festival to be held in October were made at a meeting of Toyon Branch of the Children's Hospital of the East Bay last week at the home of Mrs. Alfred Dana. Nearly 30 were present at the picnic affair. Activities for the season will also include a rummage sale in September and a card party later. Mrs. Dora Mae Scudder, president, is naming committees.

REASON WHY

I wonder if the reason why traffic was traveling in low speed in Niles Canyon last Thursday afternoon was because a certain party was in white shorts. No, it wasn't your reporter by all means. Mrs. Isabel Escalona, Anthony and Gerald, myself with my children enjoyed wading and a nice picnic at Sim's. All returned home exhausted and very suntanned.

AT THE ZOO

Seen around Fleishacher Zoo in San Francisco last Sunday were the Rinaldo Caminada family and Patricia Grandstaff, her mother and friends.

BY REQUEST

By request of a certain party I write the following: After a new double garage sliding door was installed at his home, Raymond Perry got in and painted it all by himself without a bit of help. Guess you know who's ribbing you, heh, Raymond?

NEW SON

Mr. and Mrs. Andrew Berrera became the proud parents of a son, Leroy Edward, born at the Decoto Medical Building on August 16 at 1030 p.m. Leroy tipped the scales at 7 pounds and 4 ounces. The Berreras live at 311 Sixth Street.

IN THE NAVY

Daniel Durran of Ninth Street, a graduate of W.U.H.S. with the class of 1949, has joined the Navy and has been in San Diego in training for the past two weeks.

98 YEARS OLD

Frank E. Quilty, who was 98 years old last Thursday, celebrated his birthday with several friends by attending a picture show and "waltzing with several women." Frank, who went to the Masonic Home in 1933 with his wife, Flora, promises that on his 100th birthday he will sing a solo for members of his lodge, Friendship No. 210 at San Jose.

COWBOY PARTY

A cowboy party was held last Tuesday for Barry Peixotto when he celebrated his sixth birthday. Decorations were carried out in the "Hoppy" motif, including his birthday cake. Helping Barry celebrate were Johnny Cardoza, Bobby and Billie Beattie, Johnny and Jerry O'Malia, Greg Luna, little Scottie Massie, Barry's sister Sandra, all of Decoto; Dougie Luna, Berta and Midgie Williams of Newark; and Roger and Linda Knobles of Hayward. Also celebrating his birthday was Johnny O'Malia, who was ten years old.

NATIONWIDE TV DATE ADVANCED

American Telephone and Telegraph Company announced Monday, at the request of the State Department, it will advance opening of its coast-to-coast television facilities to permit telecasting sessions of the Japanese Peace Treaty conference starting in San Francisco September 4.

Originally planned for TV opening on September 30, the Bell System's new microwave radio relay system will be temporarily arranged to meet the earlier date.

Mount Whitney lies within the confines of Sequoia National Park.

132-W-851

See Electrical Wonderland! Civic Auditorium . . . September 7 thru 14

*IN TERRITORY WE SERVE
COST PER TELEPHONE YOU CAN CALL
ACTUALLY LOWER THAN IN 1940†
Price changes since 1940
†The cost of telephone service today has actually dropped in terms of the number of telephones a customer can call without toll charges. For, since 1940, telephones have doubled in most places.

In spite of these inflationary times, your telephone brings you more real value for your money today than ever.

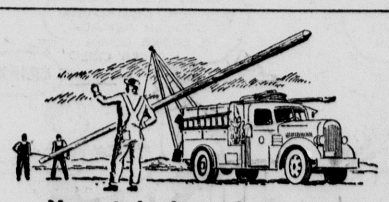
HERE'S AN EXCEPTIONAL BARGAIN

Your telephone dollar buys more telephone service than in 1940

1. **The way prices on most items** you buy have shot up, in these inflationary times, you might expect that your telephone rates would have gone along, too. For, just as the things you need to run your home have climbed, so have our costs of providing telephone service—wages, taxes, material costs. But actually, the increases in telephone rates do not even cover our increased wage costs alone.

2. **You buy telephone service** for just one thing—to have a quick and handy way to keep in touch with other people. Today you can call about twice as many telephones as you could in 1940. And when you compare just that one tremendous increase in value with the small increase in telephone rates, you can see that what you pay for service has actually dropped considerably—in terms of what the telephone can do for you.

3. **You have more** telephone service—and better telephone service—today than ever. And the value you're getting for your telephone dollar is due, basically, to just one thing. Over the years your telephone system has had the financial strength to attract the investors' money needed to build the equipment and develop telephone service to a mighty efficient level. And with a financially strong system, the telephone can continue to grow in value and usefulness to you and to all the nation.



Your telephone is one of today's best bargains

SERVICES IN OAKLAND TODAY FOR MRS. HINES

Funeral services will be held in Oakland today (Friday) for Mrs. Mary Agnes Hines, 87, of Oakland, who died in a hospital there Wednesday.

Mrs. Hines was well known in Washington Township and was the wife of the late Lovel Hines and sister of the late William and David Farnell.

Services will be conducted at the parlors of the Albert Engels Mortuary, followed by a requiem mass at St. Leo's Church.

Interment will be at St. Mary's Cemetery under the direction of the Berge Mortuary Co. of Niles.

Say you saw it In The Register.

The FARMERS CORNER

by Ralph H. Taylor
Executive Secretary Agricultural Council of California

HUNGRY HUNTSMEN

For two reasons this year's deer season, now in full swing, holds the potential threat of a record list of casualties through unfamiliarity with firearms and sheer carelessness.

First: Judging by the sure indicator of hunting licenses issued, officials of the State Division of Fish and Game estimate that the army of hunters this season will be the largest in history.

Second: The proportion of inexperienced riflemen will be unduly large because so many will be in the "hungry hunter" class—taking to the woods and mountains for the first time on account of the high prices in butcher shops. The prospect of a whole venison without a price tag can be a powerful lure for some men who otherwise would not give a hoot about shooting deer.

THE DANGEROUS NOVICE

In a plea for sanity with a gun, one sports writer, "Uncle Joe Dearing" of San Francisco, warns his readers, "A novice deer hunter is a dangerous hunter unless he has sold himself on safety rules. And careless, unthinking hunters kill or maim themselves as often as they do others."

How right he is! It might be added that many a valuable farm animal is killed by trigger-happy hunters. It would seem incredible that a man could mistake a cow or horse for a deer if it were not also true that hunters themselves — even when wearing red hats—have been mistakenly shot down by their fellows!

FARMER AND HUNTER

Time was — and not so many years ago—when the farmer and the hunter from the city were sworn enemies. Many hunters took the view that farmers put up "no trespass" signs out of sheer spite and were nothing but spoilsport sourpusses. But the farmer had his reasons! He was driven to exasperation by the slaughter of his animals—by having to duck behind a tree to save his own hide at times—by damage to fences—by heavy crop and property losses through man-made fires—by gates left open, and so on endlessly.

IMPROVED RELATIONS

However, the enmity never came to open warfare. Both sides confined their actual shooting to the deer—or at least tried to do so; and as time passed, relations were vastly improved. Responsible leaders among sportsmen's associations began educating their memberships to a policy of respecting the farmer's personal and property rights, and in consequence the farmer's hostility faded. Farmers, in consequence, had little trouble in appreciating the considerate hunter's point of view. After all, the average farmer likes to hunt, too—and looks forward to deer season as eagerly as the next man.

CARDINAL SAFETY RULES

Even the neophyite hunter may be safe enough if he will only: Treat every gun as if loaded. Carry only empty guns when not actually hunting. Be sure of his target—before he shoots. Never point a gun—loaded or empty—at anything he does not intend to shoot. Never leave a gun unattended without unloading it first. Never climb a tree or fence with a loaded gun. Never shoot at a flat, hard surface or the surface of water, for bullets skip. Never mix gunpowder and alcohol.

California's water use for domestic, agriculture and industrial purposes is approximately 20,000-acre-feet annually.
